YOUTH TRIATHLON

CHALLENGE CHAMP

**Athlete Guide | August 18, 2018**

# Athlete Guide

## Hello Triathletes!

We're thrilled to be back in South Jersey and producing our awesome Challenge Champ Triathlon and can't wait to see your racers and their BIG SMILES!!!

**PLEASE READ** this Athlete Guide with your kids. We spend a lot of time creating it and there's valuable information you both need to know to ensure everyone has an awesome experience!

Thank you for adding KidzTri3 events and programs to your kidz activity calendar and we look forward to seeing them on the race course!

### **Kimberle Levin**

Founder & Race Director

## Volunteers

We **LOVE OUR VOLUNTEERS** and our events would not be possible without them. Please have your kidz thank our fabulous volunteers who get up really early and give their time so your kids enjoy their race experience!

### Volunteers Needed!!!

We can never have too many volunteers so if you friends and family would like to pitch in and volunteer, they can email us [HERE](#).

We also know students always need volunteer hours and they are welcomed to come out race weekend to get those hours in!

**>> Due to Impending Weather <<**

**There is NO PRACTICE on  
Tuesday, August 14<sup>th</sup>.**

## Event Schedule – Saturday, August 18th

Time	Activity Description
7:30am	Packet Pickup, Transition Opens
8:15am	Transition Closes
8:30am	Race Start

## Race Morning

**GPS Address:** Gloucester County Institute of Technology, 1360 Tanyard Road, Sewell, NJ 08080. Parking is available in the School parking lot. Please follow signs and enter the campus from Tanyard Road.

**Parking** is right near transition next to the chain link fenced area.

**Check in Your Racer** at the KidzTri3 tent and receive their race bib and tee shirt. Then you can proceed to transition to setup your racer's transition area.

## Swim

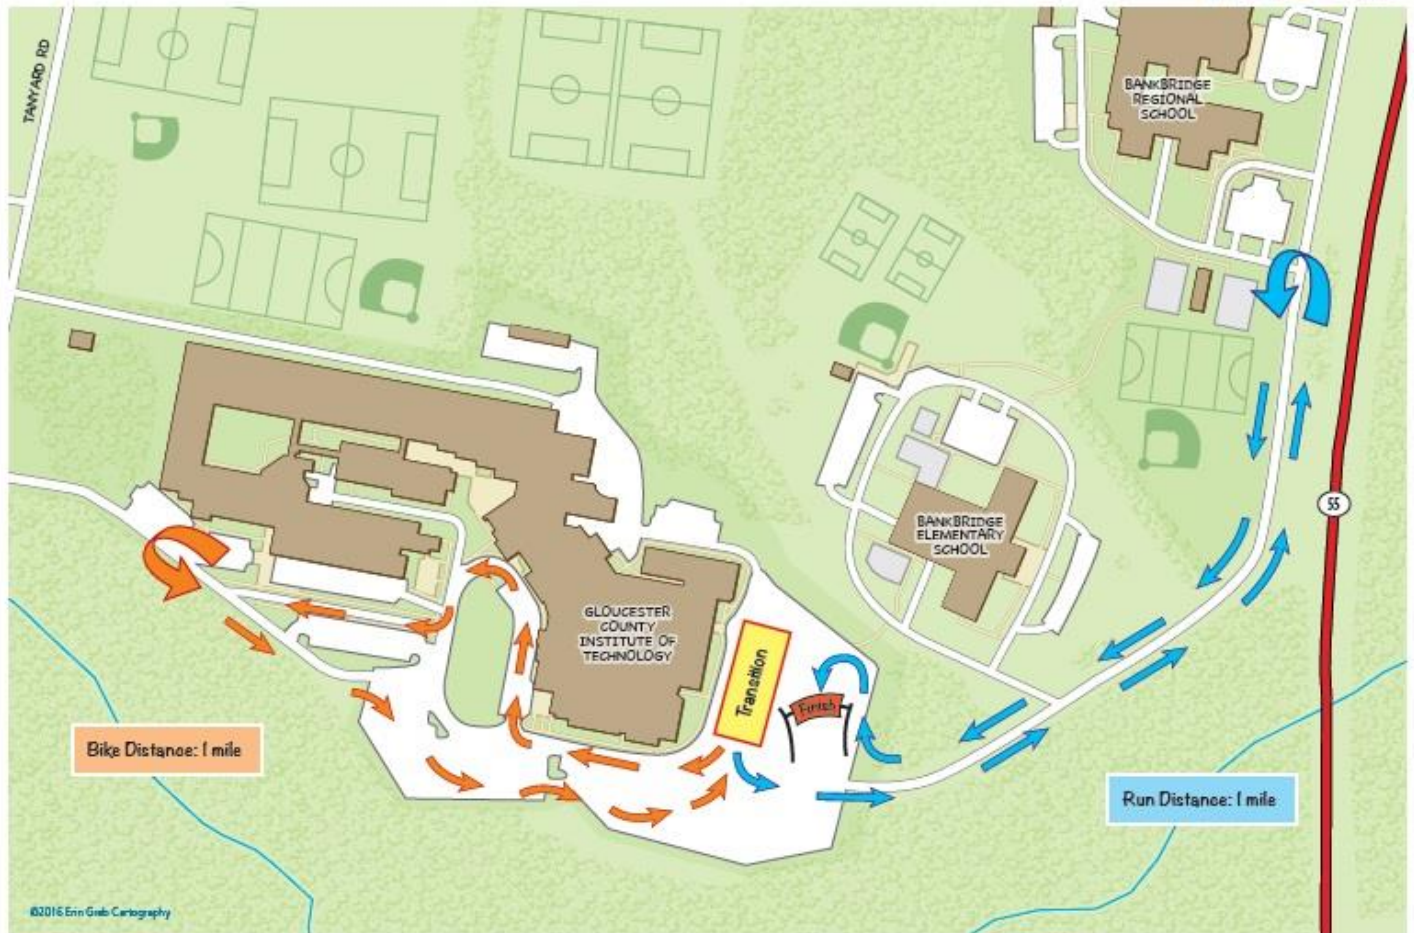

Athletes will swim 25 or 50 meters, whichever they choose to do. If your athlete requires swim aids, please bring what they are comfortable with. The pool does have some swim aids, but they may not be conducive for your athlete.

If your athlete is going to be pulled in a raft, we have setup an area of the pool for this type of swim.

This is a competition pool. Your athlete will not be able to touch the bottom.

Only one parent/guardian is permitted on the pool deck during the race. This is for the safety of all athletes. If your athlete requires more than one helper, please let us know at packet pickup. Family members can enjoy watching their athlete from the viewing area.

## Bike & Run Courses

## Family, Friends & Fans

*Here are some tips to enjoy watching the event...*

**Signs** – Make signs for your athlete and show them support!

**Noise Makers** – bring your cow bells and anything else that makes A LOT OF NOISE!! The kidz LOVE IT!

## **Inclement Weather Policy**

**There is NO rain date. We race rain or shine!**

In the case of inclement weather, race management reserves the right to alter/modify the race course to address safety concerns. If there is severe weather in the area, we may go on a hold for up to 45 minutes before proceeding, if possible.
